The Richardson campus boasts more than 50,000 square feet and includes a science lab, fitness center and wellness program, piano lab, culinary arts program, full-service cafeteria and a state-of-the-art music studio where students learn to write and produce music. The school also offers multiple career and technical education courses that prepare students for certificates in professional fields such as medical billing and coding and video game design.

The school serves breakfast and lunch to all students and also offers DART bus passes so students can attend the Richardson campus from all over the Dallas/Ft. Worth Metroplex

School Hours: The school offers two convenient sessions, Monday - Friday from 7:45 a.m. to 11:45 a.m. and 12:20 p.m. to 4:20 p.m.
